8	Conduct of outreach	YES	Photographs Attached.

	programmes for dissemination of green campus motto.		Plantation work – 09-08-2023 under Meri Mati Mera Desh Program.
9	Frequency of watering for plantation.	YES	Winter session - every two days Summer session - daily watering
10	Establishment of kitchen garden .	YES	Few plants such as Mint, coriander, turmeric etc are planted in small area to encourage students for terrace and kitchen garden.
11	Use of natural resources in the campus.	YES	By using natural resources in the campus to explore learning environments. Some medicinal plants are used by students and staffs such as Tulsi plant and Giloy plant. Some plants also used in experiments in laboratories.
12	Water Conservation and Automation Practices	YES	Drip Irrigation System installed for automation in watering of pots and garden during this session.

Major Steps Suggested:-

1. Natural vegetation should be increased by more plantation.
2. Water conservation activity should be increased. Drip irrigation / sprinkler system should be extended for watering in outside garden as a water conservation practice and more automation in watering.
3. Garden area should be increased by increasing fencing.
4. Labelling of plants should be in durable sheets and written with permanent ink. Waste material such as old DVDs and plastic may be used for durable labelling.

12. **Thuja (मोरपंखी)** – *Thuja occidentalis* (Cupressaceae) – A gymnospermic ornamental plant.
13. **Cupressus** - (Cupressaceae) - A gymnospermic ornamental plant.
14. **Juniper plant** – *Juniperus* sps. (Cupressaceae) A gymnospermic ornamental plant.
15. **Cycus** - *Cycus revolute* (Cycadaceae) - Its seeds are used to treat hypertension, cough and amenorrhea.
16. **Anaar (Pome granate)** – *Puniya granatum* (Lythraceae) – A small shrubby fruit plant available in garden.
17. **Yellow Allamanda** - *Allamanda cathartica* (Apocuanaceae) – A beautiful flowering plant with yellow colored flowers.
18. **Yellow bells (Pilia)**- *Tecoma stans* (Bignoniaceae) - A beautiful flowering plant with bell shaped yellow colored flowers.
19. **Jasmin** – *Jasminum multiflorum* (Oleaceae) - A beautiful flowering plant with white colored flower.
20. **Danda thor / Royal's spurge** - *Euphorbia royleana* or *Euphorbia neriifolia* (Euphorbiaceae) – A thorny ornamental succulent plant.
21. **Adusa (Malabar nut)** - *Justicia adhatoda* (Acanthaceae) – A shrubby bush plant.
22. **False heather, Mexican heather** - *Cuphea hyssopifolia*, (Lythraceae) – A small shrubby plant with small leaves and flower.
23. **Umbrella tree** – *Brassia actinophylla* or *Schefflera brassia* or *Schefflera arboricola* (Araliaceae) – A small plant with yellow green colored leaves.
24. **Pygmy date Palm** – Dwarf date palm – *Phoenix roebelenii* – Arecaceae
25. **Cordyline Ti Plant** – *Cordyline fruticosa* (Asperagaceae) – Many variety of this ornamental Plant are available.
26. **Cordyline Chocolate Queen** – *Cordyline terminalis* (Asperagaceae) –
27. **Tropic Snow Plant (Dumb Cane)** – *Dieffenbachia seguine* (Araceae) -

Tree - Many trees are available in campus.

1. **Karanj** – Botanical name – *Millettia pinnata*. (Fabaceae) - 4 trees available in campus. Uses – Karanj oil is used to treat eczema, healings wounds due to its healing.
2. **Pipal tree** – *Ficus religiosa* (Moraceae) – A small size tree available
3. **Neem** – *Azadiracta indica* (Meliaceae) - 3 large size trees available in campus. Uses – Neem leaf is used in skin diseases for leprosy, eye decoders, bloody nose, intestinal worms, stomach upset.
4. **Babul trees** - *Acacia nilotica* (Mimosaceae) – 4 large size trees available in campus.
5. **Christmas Tree** – *Araucaria columnaris* (Araucariaceae) – 3 beautiful trees present in campus.
6. **Guava tree** – *Psidium guajava* (Myrtaceae) - 2 fully grown fruit trees present and 1 plant is planted recently.
7. **Palash** – *Butea monosperma* (Fabaceae) – 2 trees available in campus, it bloom red colored beautiful flower in spring season.
8. **Gulmohar Tree** – *Delonix regia* (Fabaceae) – (Flamboyant) – 3 trees available in campus. it bloom red colored beautiful flower in spring season.
9. **Ashok tree** – *Polyalthia longifolia* (Annonaceae) - 4 large size trees available in campus.
10. **Indian Rosewood (Shisham) tree** – *Dalbergia Shishoo* (Fabaceae) – A timber yielding plant.
11. **Golden Cane Palm tree** (Aracaceae or Palmae) – Many different type of palm trees planted in last 5 years.
12. **Areca palm** (betel palm – *Areca catechu*, (Aracaceae or Palmae) - Some plants planted in last 2 years. Uses – Areca palm is the best tropical foliage plants easy to grow and cleanse the indoor air as well.
13. **Royal palm** – *Roystonea regia* (Aracaceae or Palmae) – An ornamental palm tree.

14. **Jackfruit (Katahal)** – *Artocarpus heterophyllus* (Moraceae) – Fruit of this plant is used as vegetables.
15. **Khamhar Tree** – *Gmelina arborea* (Lamiaceae) - A timber yielding plant.
16. **Ber (Indian Jujube)** - *Ziziphus mauritiana* (Rhamnaceae) – A fruit plant.
17. **Pine (Chir)** - Botanical name – *Pinus* species (Pinaceae) – Ornamental gymnospermic plant. 2 plants planted recently. Uses - Pine oil from the wood, used in paints, varnishes, pharmaceuticals, wetting agent in textiles.
18. **Kachnar** (Orchid tree) - *Bauhinia forticata* (Fabaceae) – A plant is planted recently in garden.
19. **Rubber plant** – *Ficus elastica* (Moraceae) – A plant is planted recently. Rubber is very useful economically important plant. It have milky latex in stem and leaves which is extracted from it and processed to make rubber.

Climber – Many climbers plant is available in campus.

1. **Money plant** – *Epipremnum aureum* – Very beautiful indoor ornamental climber plant.
2. *Philodendron scandens* -
3. **Giloy** – *Tinospora cardifolia* – It has medicinal properties as a home remedy for immune support, antiviral.
4. **Shatavari** - *Asparagus racemosus* – A medicinal climber plant. Its tuberous root is used as medicine. Health benefits of Shatavari include improvement in reproduction and anti-anxiety effects.
5. **Glorybower** – *Clerodendrum splendans* – (Lamiaceae) ornamental plant.
6. **Rangoon Creeper (Madhu Malti)** – *Combretum indicum* (Combrataceae) – A flowering climber plant with red flower cluster.
7. **Arrowhead plant** – *Synгонium podophyllum* – An ornamental climber plant with arrowhead shaped leaves.
